GENERAL MANAGER'S NOTE

With spring in the air and longer day light, there will be more time to play some golf in the afternoon and enjoy all types of outdoor activities. April is also bringing you a variety of Club events to attend.

Easter Buffet is on April 1. Tuesday Pub night and every other Thursday Home Style cooking will be featured as always.

The monthly Wine Dinner will be on the 26th this month.

The course should be in great shape as we aerified the greens at the beginning of March this year instead of as we usually do in April. Gil did a variety of things on the golf course in March which should pay dividends this month.

Despite the impending sale of the club we continue to pick up new members. They are understanding of the situation and seem willing to buy in when the time comes.

I would like to thank my staff, the Board and the members in general for being supportive of me in taking over the GM responsibilities. We will make some changes as we go forward but will not reinvent the wheel as we are nearing the time we will transition to new ownership who will have their own ideas and policies to implement.

Thank you,

Jim Nodurft, PGA

CONCERNING THE ADVISORY BOARD

Dear Picacho Hills Members,

April 2018

This will be the last News Letter that I will be writing. Yes, I am late in announcing there will be an annual meeting election to the Advisory Board and my term is up. I have enjoyed the opportunity in being on the board for 3 years and serving as President the last two. So, soon you will have the opportunity to nominate and elect your new candidates and.

The March winds have come and, as of now, they are still with us. I am writing this early and noticed today that there is water in the Rio Grande. Certainly, spring is here and the yard work begins. Trimming, thatching, planting your spring baskets and of course planning for the “weed” season, as well. Love this time of year! Soon the rains will come bursting through and the growing will be in full force. Gil, get ready, as we think the rough is already too high!

Now for a quick update on the sale of the club. The group of 6 are seeing some daylight to our due diligence of the finances, the buildings and property as well. Our attorneys are putting the dots on the i's and crossing the t's. Soon we will have available and be able to compile the final documents for all to review and then be able to make an intelligent decision. This process has taken a great deal of time to bring to fruition, but the results of this effort is the basis where we, as a group, decide to go forward and purchase the club. I have said this previously, but we are close, so please be a little more patient, please.

That is all for this month and I want to thank all of the board members for their dedication to this board and to this club. They are excellent board members and club members.

Respectfully,

Andy Philo

GOLF PRO NOTE

Congratulations to the winners of the Beat the Wind Tournament. Despite the name it was not that windy.

Tee times will move to 7:00am this month and group times will be adjusted accordingly. Please check the weekly "Wouldn't you rather be golfing" e-mail for time changes.

No club tournaments this month, however, the LGA will have the Presidents Cup on the 9th and 10th and the MGA will have an event on the 21st.

Fairways and greens,

Jim Nodurft, PGA

SUPERINTENDENT'S NOTE

Greetings,

Once again it is aerification time. Greens have already been done and have healed nicely. Tees, fairways and rough areas are next. There have been several discussions in the past about equipment choices and methodology of cultivation practices. This article will clarify the practices we are implementing so that there is a clear understanding of what happens during aerification.

Aerification or applied turf cultivation refers to working of the soil and or thatch without destruction of the turf; for example, coring, slicing, spiking and verticutting. During certain times of the year, all of these cultivation practices are implemented to improve the turf in different ways. Many different machines with slicers, tines or blades do the work in the least amount of time with the least amount of disruption.

A big topic of discussion has been choice of tines on the greens, tees, fairway and rough areas. "Why is he not pulling plugs?" or "Why does he pull so many and leave tufts everywhere?" Well to answer the question, both processes are very important. Coring tines and solid tines are used the same way with the same machines. The simple difference between the two is that the coring tine leaves a plug and the solid tine does not. Now during the cooler months pulling a plug is my method of choice, but for the hotter months I prefer a solid tine. Here is why. In the spring and fall the turf has a greater ability to withstand the stress associated with all processes of core aerification. Grass is growing more rapidly and producing thatch so the choice of coring is vital. With the coring tines, plugs are pulled and thatch along with soil is left on the surface. Then the soil is broken from the thatch and put back on top of the turf. Solid tines are used primarily during the hotter months to vent the turf or allow more air, water and nutrient movement during heavy stress days. Because the turf is already overstressed from play, carts, heat, drought, wind and other variables it is senseless to add additional stresses. Venting of greens and fairways takes place every month in the summer and the solid tine does not leave the plugs so the course is left in a better playable condition. Below is the schedule of events for the 2018 spring aerification. Please be aware that some holes may need to be closed to allow rapid progress and safety for everyone. Thank you for your support and understanding.

Aerification schedule:

- Fairways- Core aeration .750 x 10 (18mm mount side eject tine) April 11, 2018 (until completed)
- Greens- Core aeration .625 x 6 (.750 mount side eject tine) March 4, 2018 - March 6, 2018 (Completed)
- Rough- Core aeration .750 x 10 (18mm mount side eject tine) April 11, 2018 (until completed)
- Tees, Collars and Approaches- Core aeration .625 x 6 (.750 mount side eject tine) April 11, 2018 (until completed)

Always Greenside Up,
Gil Martinez, GCSAA (A)

LADIES, IF YOU ARE GOLFERS THAT JUST WANT TO HAVE FUN, COME PLAY NINE HOLES WITH THE SANDPIPERS ON THURSDAY, TEEING OFF BETWEEN THE HOURS OF 8:00AM AND 9:30AM DEPENDING ON SEASONAL CHANGES.

IF THIS SOUNDS LIKE WHAT YOU ARE LOOKING FOR, THEN WE WOULD LOVE TO HAVE YOU JOIN OUR NINE HOLE GROUP. THERE IS A ROSTER IN THE PRO SHOP FOR EACH DAY.

FOR ADDITIONAL INFORMATION, PLEASE CONTACT PATTI DANLEY 575-556-9369 OR AT PATTI_DANLEY@SBCGLOBAL.NET OR CONTACT JUDY HICKS 574-903-6891 OR EMAIL HER AT HICKSJL67@GMAIL.COM.

March has been generous with its warm weather, however our spring winds have shown up.

Our Jill competition and meeting is a week earlier in March due to the first Border competition on March 27th where our strong competitive team is sure to make a great showing. The Border Team results will be shared next month.

March's White Elephant winner was lucky Judy Lubeck, winning a fun filled bag of goodies.

April is a busy month with the President's Cup and Club Championship occurring on April 9th and 10th. Hope everyone is planning on playing as Rosemary Mckeown and Naomi Rupp have been busy planning a fun filled competitive two days. On April 23rd is the NM Senior Women's Golf Association at Sierra Del Rio and then on the 30th is Border at New Mexico State University. The challenges are there for all to participate, if you are interested check out the bulletin board in the locker room.

From the club perspective, it is time to fill elective positions on the Advisory Board. This year Andy Philo's position will be open as he decides rotate off the Board and focus on his Club Acquisition role. If you are interested please let Jim Nodurft know.

For those of you that like to plan ahead, Judy Lubeck and Hazel Coelho are already planning the Member-Member tournament May 21 and 22. Hopefully everyone will plan on "Clowning Around" and having fun.

Thank you to all our members who consistently volunteer and step up to support our great Ladies Golf group. Each and everyone one of you makes our team a caring, strong, competitive force. Paula will finish this quarters Ringer program and then extends a big thank you to Dee Dillon for stepping up and agreeing to take over the Ringer competition in May.

March 20th the competition was again strong with our winning Jill of the Hill, Pam Sherry, bringing home the net score of 67.

It was really Pam's lucky day as she won the 50/50 pot of \$21.

PHLGA President

If you are new to PHCC and/or interested in information about the Ladies Golf Association, please call Lynn Zeemont (523-0913).

Men's Golf Association

We had 36 players for the 2 man scramble last month. With the MGA providing food and beer we were hoping for a little better turnout. However, the guys that did show up had a great time and the weather was perfect. And they put a big dent in that keg of beer.

So we are going to try it again this for the 2 man Shamble on the 21st. Cost will be \$25 per man and the MGA will provide food and a keg of beer after play. Tee off is a 9:00 shotgun start. The shamble format are two man teams. Both players tee off each hole. Pick the best drive and then both players will play their own ball in from that point. This would be a great tournament for some of the guys we don't see too often. Please sign up with the Golf Shop by April 19th.

The Tournament committee with board approval has made some changes to the Summer Classic. This will be the big tournament of the year using the format from the Autumn Classic. The dates will be June 27 through 30 this year. This will be an Invitational as we will be looking for some nonmember teams to increase participation, showcase the club and fill in flights that end up with odd numbers. We will, however, take 36 member teams before we allow Guest teams to participate. Entry deadline will be May 31st so get entered early. We will take entries after that date as long as we get groups of six which are the flight sizes in the format we are using. I an unprecedented move the cost has been reduced this year! Member teams will only be \$600 and guest teams will be \$650. As always this will be a great event so put it on your calendars now and sign up early.

April Newsletter

Looks like spring is here and the winds are definitely upon us! Although I am not happy about the dust that comes with the wind, I am glad that the days are longer and allow for so many of you to enjoy the course a bit longer. I am anxious to see more of our members here again.

The last few months have brought about much change and I must say, I think we are acclimating to it all quite well. It has been a positive transition with Jim as the new GM and I think he is doing a fantastic job as he wears two hats. I have heard positive feedback from several members and believe he will continue to help us all work through the upcoming changes.

Membership continues to be vital in the success of Picacho Hills Country Club under current ownership and we hope that our members will continue to encourage their family, friends, co-workers, etc. to enroll as members and share the incredible experience that only PHCC offers in our area. In an effort to have those that have shown interest in the member buy in, Mr. Biad suggested we offer a new membership to reach those that have shown interest and have never been a member at PHCC. I put together a Dining Only Membership that gives prospective buyers a "taste" of the delicious menu and drink items we serve here. This has been received by some people as a positive and they have enrolled in this membership. I realize this has also upset previous members since they cannot participate in this promotion. I understand the frustration and as much as we would like to accommodate past members, we decided this was only going to be offered to new members as the club transitions to the new ownership. I believe we will visit this again and determine other options if necessary.

It is nice to see a few more new members excited to utilize the Dining Only, Social and Full Family Golf memberships this month. Please welcome the following new members to Picacho Hills Country Club: Brett and Julie Chevalier – Social; David and Renata De Leon- Social; Stephen Bailey and Richard Johnston – Dining; Amiel Curnutt – Dining; John and Cristina Cruz-Grost - Dining; Oscar and Patricia Cardenas – Dining; Betty Martin – Dining; Will and Mechel Hurley – Dining; Dr. Robert Brewka – Social and, John and Marifred Handley – Full Family Golf.

I look forward to any referrals you may have and plan on continuing to do business as usual to increase membership so please contact me if I can provide printed membership information for you to pass on to family, friends and co-workers or if I can answer any questions you may have concerning membership.

Thank you for your continued support in my efforts as Membership Director and I look forward to see you here at the club.
