GENERAL MANAGER'S NOTE

Dear Members:

Although July was unseasonably hot and dry even by Las Cruces standards, the club was very busy and active with several club and outside events. We had great participation in the MGA Member/Member, our annual Sports Camp, our theme nights, Saturday Night Fever among others.

As most of you are aware, August is the month of our annual intra seed process. Gil and his team have been preparing our equipment, irrigation system and scheduling of personnel for this daunting task over the last several weeks. With cooperation from Mother Nature, we are all hopeful for a smooth process and great germination of the rye and bluegrass seed. Upon reopening the course, we may need to require cart path only for a short period of time to ensure the promoting of the seedlings.

During the month of August we are also launching a new lunch, dinner and Pub Menu. We anticipate these starting on August 17. I'd also like to take a few moments and recognize Javier Reyes for his efforts in leading the Culinary Team. Javier has been responsible for the overall production of the food since January of 2015.

We has experienced a transition in Membership as Megan has moved out of the area to pursue other career options. I am grateful for her contribution to the club. During her tenure, the clubs membership roster grew as a result of her efforts. During the search for a new Membership Director, I will temporarily assume those responsibilities. Please contact me directly with any questions.

I look forward to seeing you at the club soon,

Regards,

Garry

Around the Club

CONCERNING THE ADVISORY BOARD

As members we enjoy the many facets available to us. Besides tennis and golf, our mainstays, the club offers Pickleball, aerobics, massage, instruction for golf and tennis, pool and water aerobics, weekly bridge, and game day. The facility offers a lounge and dining room with a “to die for” view. I want to remind all of us the fabulous golf facility named Santa Teresa. A 36 hole golf course location with most of the same amenities that we enjoy at PHCC. Santa Teresa was started by Lee Trevino and group that also started a lovely housing development called El Mirador. Today we find this facility in bankruptcy and liquidation proceedings have left the area in shambles. Housing values have decreased and just today I found a home for sale at \$77 per square foot. Picacho Hills mirrors the Santa Teresa development in so many ways and we need to ensure that the disaster that happened to that golf community never happens at Picacho Hills. Our community needs to support Picacho Hills Country Club and doing so will insure the prosperity of this area. PHCC is the most important asset for the community and by each homeowner supporting the club; the club can give support to the community. Members we need your support in assisting your fellow homeowners in your HOA’s to become members of our great golf facility.

Over the next several months, a collective effort by a committee of Members, the PHPOA, Ownership and Management will meet and put together an action plan designed to enroll as many non-Member residents as possible into both the club and PHPOA. I will update you all on the progress of our efforts and welcome suggestions from all on what we feel is a very important initiative. [Click Here](#) for July 2016 Advisory Board Meeting Minutes.

Andy

TJ'S TIPS

THE TRIGGER

A TRIGGER CAN BE DEFINED AS A MOVE OR A FEELING THAT FREES YOUR BODY AND MIND UP TO MAKE A GOOD GOLF SWING. A TRIGGER IS DIFFERENT FOR EACH PLAYER; FOR SOME IT'S A PRESS WITH THE HANDS AND OTHERS IT'S SOME TYPE OF WAGGLE. FOR ME IT'S A FEELING DURING MY WAGGLES THAT HELPS MY TAKEAWAY FEEL SMOOTH AND TENSION FREE. TRIGGERS IN THE GAME OF GOLF ARE AS USEFUL AS A GOOD PRE-SHOT ROUTINE BECAUSE IT GIVES YOU A SENSE OF FAMILIARITY WITH EACH SWING NO MATTER HOW MUCH PRESSURE YOU ARE FEELING ON EACH SHOT. A STRONG TRIGGER ROUTINE CAN HELP EVERY GOLFER FIND MORE OF A ZEN MOMENT THROUGHOUT THE SWING AND HELP YOU AT EASE LIKE YOU ARE ON THE PRACTICE TEE.

HAVE FUN AND REMOVE THE PRESSURE!!!

GOLF PRO NOTE

July was a hot one! Let's hope August can be just a bit cooler.

We had 60 people in our annual 4th of July Flag Tournament. Jim Hayhoe and Mike Anderson made it all the way around to #2 green.

The MGA had its annual Member – Member Tournament. Congratulations to this year's winners, Joel Stevens and Mundo Madrid.

Coming up this month is the Par 3 Tournament on the 6th and the Club Championship on the 13th and 14th. Details of both tournaments are outlined below.

Also, a reminder that the course and driving range will be closed from the 15th to the 29th for course maintenance. The Golf Shop, however, will be open 11:00 to 6:00 each day. During that time Sonoma Ranch will offer our members a rate of \$31 weekdays and \$39 weekends. NMSU will have rates of \$27 weekdays and \$37.50 on weekends.

I would like to remind everyone again to be aware of the local rules for tournament play. They are too extensive to add to each tournament's individual rules sheet so we always have a statement that PHCC Local Rules apply. It is up to each person to make sure they know these rules when playing in a tournament. You can check out the local rules on the bulletin boards, on the weekly update sent out by the Golf Shop and on the website.

Jim Nodurft, PGA

Golf News

SUPERINTENDENT'S NOTE

Greetings Members,

August will be a busy month on the golf course. The Club Championship on 8/13-14 followed by the tedious process of overseeding. The course will be closed for a minimum of 2 weeks starting on 8/15 as we begin to verticut and drill seed fairway, tees and collars. After the seed is dropped, water will run nonstop until germination of seed is accomplished. When the course finally reopens, carts will have to stay on the path until seed has rooted sufficiently. I would please ask for members and their guest to keep off the course during the closed days. Many pieces of heavy equipment will be buzzing around the course and safety is a top priority. The time frame to Overseed this year has been shortened so that loss of playing days is minimized. Please be patient during the process. The ground staff will be working day and night in order to provide you the best conditions possible.

Always Greenside Up,
Gil Martinez, GCSAA (A)

July is always a fun time around Picacho Hills Country Club, seeing all the campers enjoy golf, tennis, and swimming. Bill and I have had the pleasure of having our granddaughter Emma here as a camp counselor. It wasn't all that many years ago that she was a camper. TJ came along to golf with Bill. This has been a special few weeks for us. I am happy to report that I am out of my boot and scooter, learning to walk without a limp. I hope to be back on the course in a few weeks. I have missed you!

Those of you who have been golfing during July, bravo!

I know it was difficult to beat the heat, but you did and survived. Maybe this wasn't such a bad month to be on injured reserve.

Okay," Gals Who Just Want to Have Fun," it is just over 60 days and counting until Kactus Kapers. The rumor is Cyndi may be here herself to help out in the shopping boutique on Tuesday and then come back after the shootout (can't play -- doesn't have a handicap) to provide some entertainment that evening. Remember, Gregg Martin is sponsoring our "Whining Cart" during the shoot out, so you can start the liquid replenishment early. We have a new format for the putting contest and it is called "True Colors"; Cyndi insists. Certainly, continue to send in your pictures for the "Vanity Affair" tree, many are quite amusing. So ladies, please send in your entry fee and forms as soon as possible and remember it is not too late to provide a raffle prize, money tree funds, or a hole sponsor. -- Lynn, VP

Border was played at Cree Meadows July 7th. I am sure our team enjoyed the Ruidoso overnight in cooler weather. Congratulations to Rossana Conley, 1st Net and Valerie Heller, 2nd Gross in their flight. Sadly, we lost some ground and are now in 3rd place behind Alto Lakes and NMSU. On August 25th, our Border team will play at Silver City. Let's try to get some points and enjoy the day!

Reminder, the course will be closed August 15-29th. Because of this closure, on August 9 we will play Jill of the Hill and have our monthly meeting. We will also be celebrating the many August birthdays.

Congratulations to **Jean Davis**, our **Jill of the Hill for July!** Jean shot a net 65.

It is nice to see our membership at PHCC growing. Anyone interested in our Ladies Golf Association, please contact Phyllis Judd, Membership Chairperson at jjuddandpj@comcast.net or 575-525-2063.

Wendy French, LGA President

Men's Golf Association

Greetings Golfers!

Well, our MGA MEMBER/MEMBER is in the books and what a great time it was. One goal of our MGA Board this year was to begin building this particular tournament into a premier event, at a great value for our Men's Golf Association Membership. I think our tournament committee went above and beyond to accomplish the task! Congratulations to all the flight and contest winners, and Thank-you to the entire PHCC Staff for their unconditional support to the MGA!

We've noticed many of our members calling the pro-shop from the first tee requesting handicap data for their games. To expedite play, beginning this month; the MGA has requested handicaps be posted in the Announcement Board located on the #1 Tee Box. Mike Dixon offered to take care of this for us and have the sheets updated on corresponding dates. Thanks Mike!

Our MGA Tournament Posting Board has been put to the test and seems to be well received by all. It's now ready for your MGA AUTUMN CLASSIC! Don't forget to confirm your guest and sign up early. Some tee prizes require ordering and embroidery lead time- PLEASE, we need your help to make it fall in place!

See you on the course...

These are live ball, strategy based drills on doubles play. I will provide feedback on stroke mechanics, strategy and footwork as needed. Open to players of NTRP level 3.0 and above.
