The month of June was a very active and an extraordinarily hot one at the club. Kudos to Gil and his team for managing the turf conditions given the multiple 100+ degree days accompanied by hot wind. During the summer months in particular, we ask that as much as possible, Members partner up in golf carts. Significant cart traffic on stressed turf can contribute to the demise of the grasses. In addition, we ask that you utilize the 90 degree rule when entering the fairways and avoid driving over any noticeable dry areas. Your assistance is very much appreciated.

It was also busy in the restaurant with 108 for Prime Rib Night, 60 for the Wine Dinner, four days of the Summer Classic and various other outside functions.

The month of July will be a busy one with the 4th of July celebrations, Sports Camp, Wine Dinner, golf tournaments and Saturday Night Fever. The weekly Saturday Golf Eblast will continue as reminders of upcoming events and schedule changes.

During the month of July we will be featuring 5 dishes that Chef Javier feels are his best work. You, the members, will be voting for one of these dishes to be the "Signature Dish" here at Picacho Hills. So come in during July and try all the dishes and then at the end of the month we will have ballots available for you to vote. The dish that wins will be featured as our signature dish and be available on our menus going forward. So come out and try them all!

Thank you,

Jim Nodurft, PGA

CONCERNING THE ADVISORY BOARD

Concerning the Advisory Board

Warm temperatures are definitely here and our one day of showers just identified the need for more.

Welcome back Rebecca, you were missed! Our membership continues to grow with 10 social and swimming memberships added plus a part time golf membership. Welcome all.

The golf course is looking great despite the heat and dry. Thank you Gil and all you're staff. Our June Club tournament was the Couple Championship with Margie and Dave Herberger finishing strong, congratulations. July brings the Flag Tournament, Men's golf Classic and a two person modified alternate shot/scramble. If interested stop by the Pro Shop and sign up.

As shared in last month's letter, the Food and Beverage Department is working to identify a Picacho Club Signature Dish. Javier has identified five dishes that all members may order in July. After everyone has an opportunity to partake there will be a voting in Aug/Sept to determine the winner. The items to be offered are The Hill Benedict, Green Chili & Adovado Prime Rib, Tomahawk Rib Eye, Chilean Bass, and Herb Stuffed Chicken. Hope everyone will join us and give the dishes a try.

A Tennis Instructional Program is now available at the club offering Tuesday Evening Drop in Clinic, Saturday Drop in Clinic, Junior Clinics and Make your own group. If interested and needing specifics come by the office and pick up a flier. No surprise the Pool passed its annual inspection and Jim successfully recruited a full complement of Life Guards. The Oleanders were removed to facilitate pool maintenance.

A warm welcome to Lloyd Knight our newest Advisory Board Member. The Lloyd moved to Las Cruces a year ago and is now ready to get involved in preserving our community. We are delighted to have him on board.

Happy and Safe Fourth of July to all!

PRIVATE EVENTS & MEETINGS

PICACHO HILLS COUNTRY CLUB OFFERS A HOST OF SPACIOUS ROOMS AND AREAS FOR YOUR EVERY NEED. WHETHER YOU ARE PLANNING A MEETING FOR YOUR EXECUTIVES, GOLF OUTING, FAMILY REUNION, MILESTONE BIRTHDAY OR WEDDING CEREMONY AND RECEPTION, PICACHO HILLS COUNTRY CLUB IS THE IDEAL LOCATION FOR AN ABSOLUTELY UNFORGETTABLE EVENT.

PLEASE CONTACT JIM NODURFT FOR ADDITIONAL INFORMATION. 575.523.8641 OR JNODURFT@PICACHOHILLSCC.COM

GOLF PRO NOTE

Last month we had the Couples Club Championship. Congratulations to Dave and Margie Herberger who are our 2018 Couples Champion.

Here in July we have the annual Flag Tournament on the 7th. No need to sign up in advance, just play with your own group and tell the Golf Shop guys before you go out. We also have the 2 person Scramble/Alt Shot Tournament on the 21st. Details are below.

There seems to be some confusion about the rules on the dirt/well areas around the trees. There is NO local rule allowing a free drop in those areas. Play the ball as it lies.

We still find a lot of people coming in the shop to input scores in the handicap computer. Did you know that you can download the Ghin App on your mobile phone? It literally takes only three clicks to enter a score (Unless you shoot over 100 then it takes four, Haha) It's a much easier and more efficient way to enter your score.

SUPERINTENDENT'S NOTE

Greetings Members,

The heat of summer has arrived and all I can say is "Wow"! The beginning of the month of June was consistent with high winds and low humidity levels dropping to single digit percentages. During this time of year the golf course transitions into a survival mode. This means that the natural growing and healing abilities of our turf are delayed substantially than when it is cooler. Cool season grasses such as Kentucky bluegrass thrive when temperatures are in the cumulative range of 120F (45F at night and 75F in day). Warm season grasses such as Bermuda grass thrive in the 150+F range. Cumulative temperatures during the major heat wave reached an unfathomable 180F-190F. The main reason for sharing this bit of information is so that all of us, collectively will be prepared and help limit the added stress to turf from cart traffic, unrepaired divots and ball marks. Damage to golf course play areas occur all day long. Every cart tire track, mower path, club divot or ball mark affects the plant surrounding it. In the game of golf this is accepted, however if we limit the damage and help the process of healing, the conditions remain consistent and enjoyable year round. Please repair a ball mark or two, sand a divot in the fairway (do not replace unless it is a deep gouge), do not drive on greens complexes staying at least 30 feet away from these areas and always observe the 90 degree rule of staying on the cart path until you have a line to your ball then exiting back to the path after your shot. Also, buddy up in carts to eliminate excess wear. If the damage remains unrepaired, disease and even unwanted weeds will grow instead of the wonderful turf we have now.

Many comments have been reported on the hotspots popping up on the course. This usually occurs during the 100+ degree days with single digit humidity levels, sustained winds and heavy bicarbonate (hard) water not being able to penetrate the soil. During the summer you will see me constantly spraying the turf. Wetting agents and micronutrients are being applied to help water move through the soil to the root system and help the turfgrass plant rehydrate during the high heat. If not done the plant would not recover from water loss due transpiration, leading to wilt, disease and eventually loss of turf.

Lastly, for the last 6 weeks power was lost to the field controllers that run the irrigation system through the central computer. Many of you noticed us working on field controllers and wire tracing to find the problem. During the outage we manually watered the entire golf course turning on one head at a time to keep the turf alive. This process was unbelievably tedious but necessary to ensure turf survival. The inability to water sufficiently led to wilt and some turf loss. The turf was also damage due to several carts driving through the stressed areas. The fairway areas are being vented using slicing tines, sprayed with wetting agents and currently recovering well. Please avoid areas that look dry, wet or just stressed in general. The field controller power problem has been solved but new power issues with the irrigation well have occurred and lower pump station power issues as well. Incoming power from the Electric Company is being monitored and believed to be a major contributing factor. More data will be collected over the next several weeks and months to help support our claim of inconsistent incoming power.

Thank you in advance for understanding and adhering to the rules of the course.

Always Greenside Up,
Gil Martinez, GCSAA (A)

SANDPIPERS

LADIES, IF YOU ARE GOLFERS THAT JUST WANT TO HAVE FUN, COME PLAY NINE HOLES WITH THE SANDPIPERS ON THURSDAY, TEEING OFF BETWEEN THE HOURS OF 8:00AM AND 9:30AM DEPENDING ON SEASONAL CHANGES.

IF THIS SOUNDS LIKE WHAT YOU ARE LOOKING FOR, THEN WE WOULD LOVE TO HAVE YOU JOIN OUR NINE HOLE GROUP. THERE IS A ROSTER IN THE PRO SHOP FOR EACH DAY.

FOR ADDITIONAL INFORMATION, PLEASE CONTACT PATTI DANLEY 575-556-9369 OR AT PATTI_DANLEY@SBCGLOBAL.NET OR CONTACT JUDY HICKS 574-903-6891 OR EMAIL HER AT HICKSJL67@GMAIL.COM.

I love to start a letter off with congratulations and praise. Our May Jill of the Hill was Valerie Heller with a Net 69 and Jean Davis was the 50/50 winner. In June our Jill of the Hill was Jane Kim with a Net 66 and Wendy French was the 50/50 winner. Congratulations ladies.

Jane Kim was again the big winner in the NM Senior Women's May tournament. We would be remiss not congratulating the new Couples Club Champions Margie and Dave Herberger. Strong play everyone.

Our Border Team played strong in Sierra del Rio in May and a small team will play Silver City in late June. Best of luck ladies I am sure all of you will score well.

It may seem early however the Kactus Kapers committee is hard at work. Invitations were distributed at this month's meeting. If you were not there please pick up your invitation in the Pro Shop. While the deadline for registration is August 15th, all registrations will be joyously accepted at your earliest convenience. Ensuring the correct number of gift items are available is always easier with early planning.

Lynn Zeemont was so successful with our Open Scramble that we are already looking ahead to repeat the fun day in the fall. More information will be coming your way. As a result of the successful Scramble this year we have welcomed several new members and are counting on more.

With Jim Norduff's assistance we are having an educational golf overview in June which if well received may lead to additional classes. While the presentation is open to all LGA members we are strongly encouraging our newest LGA members to plan on attending. New information for some and a review for others will afford a level understanding by all and strengthen our mentoring skills while helping newer golfers understand and gain some comfort in the rules of golf.

Thank you to all for making the Picacho Hills Ladies Golf Association so special. Have a Safe and Happy Fourth of July!

Paula Hansen
LGA President

If you are new to PHCC and/or interested in information about the Ladies Golf Association, please call Lynn Zeemont (523-0913).

Men's Golf Association

Those of you who know me, realize that I generally walk and carry my clubs when I play golf; I am also a morning person so I try and play before 8:00 in the morning. This accomplishes several things. For one, I do not drink when I golf and secondly by walking I save about \$30 per round on cart fees and beer. I also know that I play better golf when I am sober and walking. I got to wondering how many calories I was using by walking as opposed to riding. I did a little research and found out that other people have also wondered the same thing and thus had actually done some research. One study showed that walking generally burns about 1440 calories per 18 holes versus 820 by riding in a cart. This particular study used about 6 pounds of sensors strapped to the body. Each golfer was rigorously tested to establish their aerobic endurance and anaerobic threshold levels- the point where lactic acid buildup generally begins to impair coordination and concentration. The biggest discovery was that being fit cuts strokes because you exceed your threshold fewer times. The study did determine, as have I, that walking may not be an entire exercise program, but it does serve as a supplement to an actual program. The better physical shape a golfer is in, the less the walking affects his scoring. Because of conditioning there is better scoring when a golfer rides than when he walks. With all of this information I have determined that one should walk their daily rounds and ride in tournaments. That will give you an advantage in tournaments as well as burning 600 extra calories a round and saving you \$30 a round in fees and alcohol. This will give you food for thought if like me you were wondering??????

2018 JUNIOR SPORTS CAMP JULY 9TH - JULY 20TH

Picacho Hills Country Club once again invites your children/grand children to participate in our JUNIOR SPORTS CAMP for ages 5-13. The Sports Camp is designed to introduce and develop the fundamentals, skills, and strategies of golf, tennis, and swimming. The quality of the instruction is by far the best of any camp in the area. We highly recommend our multi-sport program so that children receive instruction in a variety of "lifetime sports." Lunch will be provided every day to the campers.

Once again let me remind you to fix ball marks, rake traps and post your scores.

The PHCC Pickleball "Dinking" Corner

Are you new to pickleball? Are you asking, "What in the world is Pickleball?" Well, I'm inviting any PHCC member to come on up to our Pickleball courts for a "FREE" BEGINNER lesson JULY 26th Thursday from 8 a.m. to 9 a.m. Limited to 4 "newbies". Please RSVP directly to me via email lauralsmart@comcast.net, phone or text at 425-233-9082.

For those pickleball players who are already "addicts", please join us for our "Saturday Night Fever" July 21st (the 3rd Saturday) from 5-7 p.m. for laughter, music & lots of "dinking" around. We'll then head in to the Pub for "refreshments" of your choosing! Please RSVP to Jim Nodurft jnodurft@picachohillscc.com or call 575-523-8641.

I am the USAPA Pickleball Ambassador for Las Cruces and my mission is to "grow the game of pickleball for all ages". If you like to laugh and exercise at the same time, Pickleball is the sport for you!

Hope to see you on the Pickleball courts & remember "keep your eye on the ball"!

Laura Smart - Picacho Hills Country Club member & Resident since 2007

Membership Information

It's so good to be back! I sure missed everyone and the "routine" that the Club brings to my life. A genuine Thank You to Mr. Don Biad for his patience, kindness and support and to the amazing staff that stepped in and carried the load while I tended to a very important family matter and, of course, to all the members that sent kind messages, thoughts and prayers. Although we're making strides, we still don't have definitive answers and are seeking alternative options and treatment.

Well, I came back swinging! I caught up with paperwork, files, etc. for a few days and now I am ready to get back to working on bringing in new members. I know that there are still many individuals and families that would benefit from all the amenities we offer so I sure hope I can convince them of that - soon. I have reached out to a few realtors and hope to work closely with them to target new home owners to enroll as members.

We are still accepting Dining Only Members for those that attended the information meetings and have shown interest in buying into The Community Club of Picacho Hills. Please encourage your friends and neighbors to take part in this great membership. Our recent Pub Night was a huge success as was the monthly Wine Dinner.

I am excited to share that both Jim and Becky enrolled a few new members in June: Ernest and Emily Viramontes – Summer; Sterilla Smith – Dining; Jason and Rachel Floyd – Summer; Karl and Sara Walter – Summer; Dr. Charles and Rita Collins – Social; Jim and Judy Richards – Full Family; Gerald and Mary Dohm – Social and Les and Renai Fletcher – Full Family. Please be sure to say hello and help them feel welcomed.

As always, be sure to reach out to family and friends about the great benefits of membership each of you experience and let's keep this beautiful club thriving.

Rebecca Reyes

Special Thanks

We would like to give a special thank you to members of the Outlaws, Bandits, Dorbandt Group and Don Biad who contributed over \$500 to put down the Rhyolite pathway from the parking lot to the rear patio area in front of the golf Shop. The material and work was done at a special discount by Kelly Dickson. Thank you to Kelly and all the folks that contributed. It is a great addition to the club.

Good Bye Becky

It is with great regret that I inform you that our Office Manager, Becky Van Valkenburg, will be leaving us at the end of July.

Becky has been with Picacho Hills for 7 years and has been an important part of our success during her time here.

Besides doing her normal duties, Becky was always willing to take on anything anyone asked her to do for the good of the club.

She will be very hard to replace and will be missed by us all.

I personally wish her good luck in her new endeavor and ask everyone to stop by and wish her well and thank her for her time here.
