GENERAL MANAGER'S NOTE

With the uncertainty regarding the sale of the club we will not be having an annual meeting or electing the one position we have open on the Advisory Board. The current board will continue to operate on your behalf until the club is sold. With no meeting or election, the open position will be appointed by the current board.

The Advisory Board is there to represent the members and take your concerns and suggestions to Management. Know your board members and use them as your voice.

We have a lot of new people being hired in the different departments. I ask that everyone help these new folks by checking in at the golf shop, volunteering your name and member number in the restaurant and in general giving as much information to our new hires as you can until they get to know you. I thank you for that in advance.

We had over 120 at our Mother's Day Buffet last month. The food was excellent and there was plenty of it!

Don't forget about our Wine Dinners. This month's Wine Dinner is on the 21st so make your reservations early.

Thank you,

Jim Nodurft, PGA

Around the Club

CONCERNING THE ADVISORY BOARD

Concerning the Advisory Board

Summer is here! May brought us much warmer temperatures and the outdoor activities are in full swing. The club continues to increase its membership adding two full members and two social memberships this month. Please extend a warm welcome to any new face you see at the club.

The pool is on schedule to open Memorial weekend pending Inspection approval in late May. We are still in need of lifeguards. Please forward any interested certified lifeguard names to Jim or Becky.

Mother's Day was an overwhelming success and as usual the food and beverage staff out did themselves. The Advisory Board is working with the staff on a process to identify signature dishes for the club. This is something that when you think of the club you immediately think about this dish. More information will be forth coming in the next few months.

Laura Smart continues to represent the club in numerous Pickle ball events including a May 25th US Pickle Ball Open. Way to go Laura!

Most of us received the update regarding the club sale status via email or read it on the web page. Due to this we are in a bit of a hold for the annual meeting schedule. In addition, the number of interested parties in our open Advisory Board position has been minimal. If you are interested in joining us please call Becky and she will provide the application. Unfortunately the link we tried to provide last month did not work and continues to be a challenge. Technology is not always my friend; however we can get the application to any interested party via email or in good old fashion paper copy.

Golfers do not forget the Orange Blossom tournament May 28th and the Couples Championship in June. Both events are lots of fun! As everyone has recognized there are several new faces on the Golf shop staff. Please help out by checking in prior to your round of golf providing names of all players. This helps the new staff learn our members and the club counts rounds of golf so this also helps in the accuracy of our golfing statistics.

Stay cool and look forward to seeing you at the club!

Paula Hansen
Interim Advisory Board President

Board Members:

PRIVATE EVENTS & MEETINGS

PICACHO HILLS COUNTRY CLUB OFFERS A HOST OF SPACIOUS ROOMS AND AREAS FOR YOUR EVERY NEED. WHETHER YOU ARE PLANNING A MEETING FOR YOUR EXECUTIVES, GOLF OUTING, FAMILY REUNION, MILESTONE BIRTHDAY OR WEDDING CEREMONY AND RECEPTION, PICACHO HILLS COUNTRY CLUB IS THE IDEAL LOCATION FOR AN ABSOLUTELY UNFORGETTABLE EVENT.

PLEASE CONTACT JIM NODURFT FOR ADDITIONAL INFORMATION. 575.523.8641 OR JNODURFT@PICACHOHILLSCC.COM

GOLF PRO NOTE

Last month we had the Club Championship. Congratulations to Joel Stevens who is the men's champion for the second year in a row, and Rosemary McKeown who is the women's champion.

The Orange Blossom was also held on Memorial Day but results were not in at time of printing.

We still find a lot of people coming in the shop to input scores in the handicap computer. Did you know that you can download the Ghin App on your mobile phone? It literally takes only three clicks to enter a score (Unless you shoot over 100 then it takes four, Haha) It's a much easier and more efficient way to enter your score.

The only club tournament this month is the Couples Championship on the 10th. Details are below.

The MGA also has their Summer Classic the 27th through the 30th. Course will be closed 28th through 29th. Tee Times begins at 2pm on the 30th for member play.

Fairways and greens,

Jim Nodurft, PGA

Golf News

SUPERINTENDENT'S NOTE

Greetings Members,

What a windy spring season with zero rain to show. The course however is holding its own considering daily single digit humidity readings and sprinklers unable to hit their mark effectively due to the gusty winds distorting the water stream. This has led to sporadic dry spots around the course. As the intense heat and humidity of summer approaches, the golf course will transition into a survival mode. Now before you start to worry, this means that the natural growing and healing abilities of our turf will be delayed substantially than when it is cooler. Cool season grasses such as Kentucky bluegrass thrive when temperatures are in the cumulative range of 120F (45F at night and 75F in day). Warm season grasses such as Bermuda grass thrive in the 150F range. The main reason for sharing this bit of information is so that all of us collectively will be prepared and help limit the added stress to turf from cart traffic unrepaired divots and ball marks. Damage to golf course play areas occur all day long. Every cart tire track, mower path, club divot or ball mark affects the plant surrounding it. In the game of golf this is accepted however if we limit the damage and help the process of healing, the conditions remain consistent and enjoyable year round. Please repair a ball mark or two, sand a divot in the fairway, keep carts a minimum of 30 feet from the green (exception for those with a disability) and observe the 90 degree rule staying on the cart path until you have a line to your ball then exiting back to the path after your shot. Also, buddy up in carts to eliminate excess wear. If the damage remains unrepaired, disease and even unwanted weeds will grow instead of the wonderful turf we have now.

Mark your calendars, June is pest month!

With the application of pre-emergent herbicide for grassy weeds complete, we now shift to insect control. This application is scheduled for our first closed Monday in June. Due to the lack of moisture state wide the insect pressures are expected to be extremely high. The golf course provides the presidential suite of accommodations for the insects to lay eggs. Please stay away from the golf course on this day. Even though we are closed many members still drive the course, walk or try and sneak out. We also continue to introduce more mosquito fish into the course ponds and surfactants to standing water area to help drain and break water surface tension so that larvae will not survive.

Thank you all for your continued support of Picacho Hills Country Club. See you on the course.

Always Greenside Up,
Gil Martinez, GCSAA (A)

IF THIS SOUNDS LIKE WHAT YOU ARE LOOKING FOR, THEN WE WOULD LOVE TO HAVE YOU JOIN OUR NINE HOLE GROUP. THERE IS A ROSTER IN THE PRO SHOP FOR EACH DAY.

FOR ADDITIONAL INFORMATION, PLEASE CONTACT PATTI DANLEY 575-556-9369 OR AT PATTI_DANLEY@SBCGLOBAL.NET OR CONTACT JUDY HICKS 574-903-6891 OR EMAIL HER AT HICKSJL67@GMAIL.COM.

PHLGA JUNE NEWSLETTER

May brought us summer temperatures setting the stage for a warm summer.

Our April Jill of the Hill was Dee Dillon with a net score of 70. She deserves a huge shout out and congratulations. Pam Sherry scored again in the 50/50, lucky lady.

Our Border team scored big at NMSU this month moving us into first place! Way to go team. Your strong showing speaks loudly regarding the talent of our ladies.

Of special note some of our members playing in the NM Sr. Women's at Sierra Del Rio in April were winners as well. Jane Kim took 1st Gross and Jean Davis took 1st Net. Wow is the LGA hot or what!

We have received many invites to tournaments outside of Picacho, if interested the information is posted in the lounge on our bulletin board. Margie Herberger is diligently sending the information out via email as well. Lots of opportunities for those desiring to travel and play.

Another strong showing in the Club Championship: Rosemary McKeown is our club champion and Jane Kim, Dee Dillon, and Naomi Rupp came in 1st-3rd low nets in the Ladies Flight. Congratulations ladies you do us proud.

Well Lynn Zeemont did it again. The 2nd Annual Open Scramble was a huge success. 24 non-LGA members joined us for golf and lunch with all the reports confirming a great time had by all. Two White Elephant drawings were held during lunch with two lucky guests winning the prizes. Best of all two of our guests joined the LGA! I have high hopes there will be a few more joining our group.

As I write this note Judy Lubeck and Hazel Coelho are setting the stage for the Member-Member tournament, Clowning Around. I understand there are a few surprises planned and lots of laughter to be had by all.

A reminder to all starting in June our tee time moves to 8AM requiring our presence on the putting green by 7:45am. I know some of us are not early risers however bring your coffee and come on out to play before the daytime temperature gets too high.

Thank you to all for making the Picacho Hills Ladies Golf Association so special.

Paula Hansen
LGA President

If you are new to PHCC and/or interested in information about the Ladies Golf Association, please call Lynn Zeemont (523-0913).

Men's Golf Association

The Club had an orange ball tournament on Memorial Day. It was a club event and I hope you all played and had a great time. This newsletter went to press before the results were out, thus I only know that my team is excited and looking forward to playing. It is always a fun tournament. The MGA Summer Classic, a two man member-guest partnership is being played this month. It is the premier men's golf tournament held at PHCC. Please find a partner and get ready to play. The Price has been reduced. There will be a pig roast and pool party as part of the festivities and I have my partner lined up. The club is doing a lot of maintenance on the course right now. The course really looks good.

2018 JUNIOR SPORTS CAMP JULY 9TH - JULY 20TH

Picacho Hills Country Club once again invites your children/grand children to participate in our JUNIOR SPORTS CAMP for ages 5-13. The Sports Camp is designed to introduce and develop the fundamentals, skills, and strategies of golf, tennis, and swimming. The quality of the instruction is by far the best of any camp in the area. We highly recommend our multi-sport program so that children receive instruction in a variety of "lifetime sports." Lunch will be provided every day to the campers.

I have been playing golf twice a week. I realize I play first thing in the morning yet the course has been relatively quiet. The weather has been great and the course is in great shape. You need to get out and play. I love to play at PHCC; I hope we find a way to keep the course open for our continued enjoyment.

Once again let me remind you to fix ball marks, rake traps and post your scores. Let us try and start the summer season out on a good note.

Martin Porter
MGA President

- November 24 Thanksgiving Scramble, 10:00 AM – 12:00 PM (courts 1-5)

Membership Information

I am continuing to fill the role of Membership Director as Rebecca deals with some family issues.

She should be back sometime in June. But in the mean time I am available to answer any questions you may have.

This past month we welcomed 6 new memberships. Dan and Joann Davis, Eugene Heathman and Pat Waggoner, James and Sunny Snell, Gwenael and Ann Chiffolleau, Heman and Patricia Alvarez and Mark & Micah Standridge.

As we sell memberships we always inform prospects of the impending sale. Most people have signed up anyway and are interested in the details to potentially buy in.

For those of you who don't know, for every membership prospect that you bring to the club and who signs up for membership, we will credit you one month's dues (The amount being whichever is smaller, your dues amount or theirs). The best way to grow membership is when you are our ambassadors!

Jim Nodurft, PGA

MGA Summer Classic Schedule

Wednesday, June 27

Practice Rounds ~ 7:30 am – dusk ~ Golf Course
