## GENERAL MANAGER'S NOTE

Dear Members,

Thank you all for the pleasure I enjoyed serving as the GM for the past several years. I am taking away fond memories and leaving behind a group of dedicated professionals that I am confident will continue providing all of you their very best.

Regards,

Garry D Cramer  
General Manager  
Picacho Hills Country Club

As I take over a more expanded leadership roll in the club I want to assure everyone that we have in place a management team that already is dedicated to one purpose; making sure that members and guests have a great experience when they come to the club.

I will do my best to maintain those standards and making sure that we exceed member expectations.

This is a very unusual time as we possibly transition from one ownership to another. However, my staff and myself will be operating with a "business as usual" approach so that the day to day operation of the club will not be interrupted or compromised.

I look forward to helping the club get through this transition as seamlessly as possible and then be part of new community club in the future.

Thank you,

Jim Nodurft, PGA

## CONCERNING THE ADVISORY BOARD

Picacho Hills Members,

March 2018

March has brought needed rain and unwanted winds as usual. The grass has accepted the fresh water and already, we can see it getting greener! The shrubs and flowering trees are budding out and by months end will be in full bloom. What a great time of year!

I want to welcome Jim Nodurft as our new general manager and look forward to working with Jim through the upcoming expected change of ownership. We, as the Advisory Board, want to thank Garry and Lori for the efforts and talents that they brought to our club. We all remember what it was like when he first came and what it became in very short time after his arrival. We will certainly miss Garry and we all wish he and Lori our very best at their new location. Let's all give Jim the member support to assist him and help make his transition as easy as possible.

I would like to take a little time and speak about the group of 6 and bring everyone up to speed on where the potential purchase process is at this time. We are moving forward, not at the speed we would wish; however, the progress is significant.

Great strides have been made in the last few months, from nothing to something! To date, almost 700 households in the Las Cruces area have indicated interest in purchasing the Club. Our many volunteers have expended tremendous effort to identify and contact residents of Picacho Hills and the greater Las Cruces area.

Given the great progress and community response, we have been moving forward with developing the By-Laws, beginning serious due diligence, identifying various contractual liabilities of the current club, initiating the necessary inspections and surveys, making contacts with escrow companies, and beginning the necessary contract reviews and drafting.

There is much work to be done before we can begin selling memberships, but we are moving forward as quickly as resources permit. We want to do everything properly and above-board, so we ask for your patience. We have spent time with our attorney and her SEC partner. We are working toward satisfying all the requirements and have begun negotiating various sale terms with the Biads. In addition, we are organizing marketing campaigns and back-office functions, so we can be ready when the selling begins!

Finally, we have been very encouraged by the community support and willingness to come together to make this happen. Talk it up with your neighbors and friends to help keep the momentum building! Our goal is to raise \$5 million to ensure that the club will be a success and a point of pride in the Las Cruces community. With your help, we believe we will succeed!

Andy Philo, Advisory Board President  
Member of the group of 6

## SUPERINTENDENT'S NOTE

Spring is not officially here but with the mild temperatures the course is waking up. It has been a very busy 2 months of 2018 and time passes ever so quickly. As we move forward through the growing season many cultural activities and applications will take place on the course. Aerification, fertilization and weed control are top priorities to start the growing season out on the right foot.

### March Activities:

- Aerification of all turf areas. Followed by dragging soil tufts and mowing.
- Greens aerification begins March 4-6, 2018. Course will be closed!
- Pre-emergent applications for Poa annua and grassy weeds.
- Pre/Post emergent spraying of native areas for broadleaf and other weeds.
- Fertilizer and fungicide applications on entire course.
- Course wide flushing of salts.
- Lowering of HOC (height of cut) on all turf areas.
- Native area cleaning and raking. These areas will be raked every two weeks in intervals.
- Adding sand to bunkers
- Implementation of wood traffic stakes to control heavy cart traffic.

We have started the tedious process of preparing the aquatic (swimming) area for the upcoming season. The pool opens in May however it will take every bit of time between now and then to insure safe conditions for our members.

As a reminder please repair all divots with sand, repair all ball marks on greens, adhere to the 90 degree rule on the course when using golf carts during your round and please refrain from driving on the green surrounds or tee complexes. Please stay at minimum 30 feet from any green or tee complex. Added wear from excessive cart traffic has severely damaged turf quality in these areas. Thank you.

Always Greenside up,  
Gil Martinez, GCSAA (A)

What a great month to start off my Presidency! We have been blessed with warmer than normal weather, some much needed rain showers, and great attendance and friendship on our LGA days. Thank you everyone for your support.

Linda Philo started the month off in a big way with her Hole- In- One on # 6 Jan 30<sup>th</sup>. Congratulations Linda! Randi Roberts is helping out Patty Wood with the \$2 collection for our next Hole- In -One pool. Thank you Randi.

Lish Camilli was our February White Elephant winner. Some ladies have all the luck.

As I stated at our February meeting this should be my last year as the LGA Advisory Board representative, however it may also be the last year for this role due to the planned club ownership change. With that in mind and since no volunteer came running forward, I will continue to function in this role while the future of our club is further defined. PHCC will be experiencing continued change over the year and we need to be sure our voices are heard.

On a further note of continuing change, Garry Cramer and Krishn Panchal are leaving for other employment opportunities. Garry has accepted a new position in Nevada beginning in March and Krishn Panchal leaves for an opportunity in Atlanta the end of February. We wish them both successes in their new roles. Thank you Garry for all your support of the LGA and our events while at PHCC. Jim Nodurft has accepted the opportunity to serve as our Interim General Manager. Jim, thank you for stepping up and we look forward to working with you.

March brings our first Border event at Red Hawk! Go PHLGA ladies! Make this a winning season!

Also with March comes our early preparation for course growth. Remember the course is closed on March 6<sup>th</sup> for aerification.

February 27<sup>th</sup> we had a strong competition with our winning Jill of the Hill, Randi Roberts, bringing home the net score of 68.

Paula Hansen  
PHLGA President

If your are new to PHCC, please call Lynn Zeemont (523-0913) for information about the Ladies Golf Association.

# Men's Golf Association

The annual Alternate shot tournament to be held on February 10<sup>th</sup> was cancelled due to lack of participation. The MGA board has tried everything to get participation from the membership. We have reduced the prices, we have tried afternoons instead, yet no one participates. The next tournament is the third of March. It is a two person scramble. Some of us cannot play, most of you just refuse, and I do not know why. Please sign up.

As I stated last month, it is official, the large member guest that has always been held in October has been moved to June 28<sup>th</sup>-30<sup>th</sup>. The smaller member guest that was held in June will be played in October. We are attempting to increase participation by moving the large tournament out of New Mexico's Big Game Hunting season. Please start making plans now as we hope to have a wonderful tournament.

Again remember to repair ball marks. I always repair 2 or 3 marks on every green,

With Best Regards,

PICACHO HILLS COUNTRY CLUB INTRODUCING A NEW MASSAGE THERAPIST: CAROL SULLIVAN

TO MAKE AN APPOINTMENT PLEASE CALL : 575-496-1162

As many of you know Krishn Panchal our Tennis Professional has accepted a job in the Atlanta area and is no longer with us as of February 21.

During this time of transition, we have decided not to fill the position.

Greg Tracy will continue to teach and give clinics and we will be looking for another Professional to add to that aspect of the program.

I will be organizing the Thursday night mens group for now.

As for Pickleball, Laura Smart and Lynn Zeemont have volunteered to take over the program at this time.

When, and if, the club is purchased by the members the new board will evaluate the future of the Tennis Program.

Laura Smart will be teaching a complimentary Pickleball lesson on Friday March 16<sup>th</sup> from 8:30 to 9:30.

This is for PHCC members only and will be for a maximum of 4 players.

To sign up please e-mail Laura to [lauralsmart@comcast.net](mailto:lauralsmart@comcast.net) or text 425-233-9082.

# Membership Information

March Newsletter

Well, there certainly are a lot of changes happening at the club. I know that the transition is going to go smoothly and we will all continue to do our very best under our new Interim GM. I, for one, look forward to doing business as usual and working diligently to bring in new members so they are able to experience the incredible course, tennis and pickle ball courts as well as the amazing menu offerings in our dining areas. I believe once they experience all that is offered here, they will definitely want to stay on as members when new ownership takes place.

We have had some great meetings/presentations here that have encouraged interest in membership. A few of those interested have not actually experienced the course, tennis courts or the excellent food in the pub or dining rooms. I would like to encourage current members to sponsor anyone you know or think would be interested in membership (as a guest) to come out and play, have lunch or dinner soon. I think they would be pleasantly surprised at all they have been missing. Guests would be responsible for the cost of play, meals, beverages, etc. unless other arrangements are made.

Membership continues to be vital in the success of Picacho Hills Country Club under current ownership and we hope that our members will continue to encourage their family, friends, co-workers, etc. to enroll as members and share the incredible experience that only PHCC offers in our area.

It is nice to see a few more new members excited to utilize the wonderful amenities offered here and we are certain that you will welcome each of them and encourage them to join you on the course, courts or in the dining area(s) at some point. Please welcome the following new members to Picacho Hills Country Club:

Dr. Joanne Turnbull – Social; Herve Lescombes and Judy Darnall - Social.

I look forward to any referrals you may have and plan on continuing to do business as usual to increase membership so please contact me if I can provide printed membership information for you to pass on to family, friends and co-workers or if I can answer any questions you may have concerning membership.

Thank you for your continued support in my efforts as Membership Director and I look forward to see you here at the club.
