GENERAL MANAGER'S NOTE

Last month we put a letter in the billing informing everyone how we will be handling delinquent payments: 30 day notice will be a friendly reminder, 60 day will be suspension of privileges and 90 day will be termination and collection. This does not affect most of our members and we hope that we did not offend anyone, but as we looked at the aging report we found significant numbers of members behind on payment. This is not fair to the ones that pay on time and it makes it difficult to run the club efficiently.

In the restaurant we will continue with Tuesday Pub nights which are always popular. The Wine dinner will be on the 17th this month. And if you didn't notice the Pub Menu is offered all day with the Main Dining Room menu turning over bi weekly.

As an FYI, we would like everyone to know that we are trying to protect the integrity of your membership by tightening up on guest play at the tennis courts. For quite a while that aspect has been neglected. Going forward All guests MUST pay an \$8 guest fee when playing and are limited to 6 times per year. If you bring a guest we will ask, and expect, you to come to the business office and pay for your guest. If we find that you have brought a guest without paying the fee we will consider it a breach of the Bylaws and club rules and could result in suspension of privileges. Myself and perhaps others will also be monitoring play and will collect fees if we see a guest playing.

As with the rules on collection of past due membership fees we understand that this enforcing the rules of the tennis facility may seem harsh. However, as a private club it is up to all of us to ensure that only the dues paying members get the benefit of our great facility.

This month the Pool will open on Saturday, May 26. Hours will be from 10:00am to 8:00pm Tuesday through Sunday.

Thank you,

Jim Nodurft, PGA

CONCERNING THE ADVISORY BOARD

As an introduction, I am Paula Hansen and have been on the Advisory Board for the last three years as the LGA representative. With Andy Philo's departure I have been asked to step in as the Interim Advisory Board President until the club sale is complete and a new governance structure is put in place. The entire Board sends a big thank you to Andy Philo for his contributions as a board member and the President. I will earnestly try to fill the role at the high level expectations for which he set and you deserve.

Andy's departure opens a position on the Board for election. Any member that would like to join us I have attached the application form for your completion and submission. ([Click Here](#)) Applicants will be presented and the voting will occur at our 2018 annual meeting, date to be determined for late June or July. Please consider this opportunity to provide the club leaders and owner's insight and guidance. We meet monthly on the second Thursday of the month at 3:30 in the Board room.

The club is working hard to get ready for summer as we can tell with focus preparation of the pool and golf course. The pool is on schedule to open Memorial weekend. A swim membership is being offered. If you are interested please see Jim Nodurft . Planning is already underway for Sports Camp July 9th-13th and 16th-20th. All of the kids have loads of fun immersed in a variety of activities. Please give a big shout out to the Tennis and Pickleball Club, as they have decided to sponsor 8 children for the sports camp again this year.

If anyone would like additional information, please do not hesitate to contact any of the Board members and we will be happy to field your questions, concerns or need for information. We are here for you.

Golf News

SUPERINTENDENT'S NOTE

Greetings Members,

Spring is in full swing and the grounds crew is increasingly busy with keeping the course in excellent shape. Please continue to help us with ball marks, divots and 90 degree cart path usage. Also it has been noticed that several players are driving on the tee grounds and parking on greens surrounds. General rule is to keep all carts on the paths on all par 3's, at teeing areas and 30 feet away from greens. The traffic wear is beginning to show and grass is thinning.

Pre-emergent for grassy weeds is on its second application and almost complete. Aerification still continues after a busy tournament month. Aerifying will be a constant process throughout the year to help with compaction and thatch accumulation. Some localized dry spot areas have been noticed and the remedy is to aerify and get the necessary exchange of water and nutrients to the roots. This process will ensure a stronger healthier plant as we head to the heat of the year where the plant is in survival mode.

Changes will be made to the cart traffic control stakes out on the course. Stakes have been re-stained and new rope will be put out soon. It is our intention to limit the amount of the traffic control stakes out on the course. However, with the increased amount of cart traffic these control stakes become necessary to block off thinning turf. Again please use the 90 degree rule, keep carts at least 30 feet away from the greens/tee complexes and partner in a cart from time to time. These little changes will definitely go a long way especially in the hotter months. Thank you all for your continuing support.

Gil Martinez, GCSAA (A)

April brought us our windy days! While the temperature warmed up nicely the wind blew steady. The wind did not interfere with a great Presidents Cup and LGA championship on April 9th and 10th, a huge shout out to Rosemary McKeown and Naomi Rupp for an excellent job. The LGA Champion is Rosemary McKeown and the President Cup winner is Randy Roberts. Congratulations ladies for a stellar round of golf.

Also a friendly reminder and encouragement for all to join us for our Member Open Scramble May 8th. Lynn has sent out invitations and has the event planning in hand for all to have fun with those not yet members of the LGA. LGA sign up will be available early so pairings can be completed. Just in case you need something additional to look forward to we will be Clowning Around on May 21st and 22nd at the Member-Member tournament. Judy Lubeck and Hazel Coelho are planning a fun time for all. Sign up is in the locker room. Remember you need a different partner form last year so if you have not found your partner yet best get busy.

Border play was at Red Hawk and our team played well. We fielded a team that brought home 53 total points placing us in 2nd. Rosemary McKeown won low gross over the field. Flight winners were: Pam Sherry, Jane Kim, Valerie Heller, Phyllis Judd, Hazel Coelho, Margaret Herberger, and Rossanna Conley. Great job ladies! This month's play is on the 30th at NMSU. We will be cheering for all.

Ringer starts up again in May for all interested in contributing your \$5. Dee Dillon has graciously agreed to handle the program for the remainder of 2018. Paula sends a big thank you to Dee for her willingness to step up and volunteer in our time of need.

Pace of play has again become a topic of discussion. Remember if you are not keeping up with the group ahead or there are holes open in front of you the gracious thing to do is let those behind waiting to play through. It makes the game more enjoyable for all.

Along with all the many changes going on this year, the timing of my LGA monthly write up has been moved. The due date for submission is the 20th of each month so the Jill winner announcement will be a month late in the article. The winner will be broadcast just not in the current month. Thanks to all for your understanding.

Paula Hansen
LGA President

If you are new to PHCC and/or interested in information about the Ladies Golf Association, please call Lynn Zeemont (523-0913).

Men's Golf Association

Looks like the spring winds are upon us. I played in the Sun Country stroke play tournament April 7th and 8th. Everyone should play a stroke play tournament in 40 MPH winds! It is a humbling experience. Other than the wind it was a great tournament. I am always amazed when Sun Country has a tournament at our home course and our members do not register to play. We have a definite advantage over people who do not play at PHCC.

2018 JUNIOR SPORTS CAMP JULY 9TH - JULY 20TH

We had a club Schamble tournament last month. We only had 14 teams, I would like to see some more participation. We are also about 60 days from the Summer Classic member guest. Please roundup a partner and get ready to play. The Price has been reduced. There will be a pig roast and pool party as part of the festivities. I have my partner lined up. The club is doing a lot of maintenance on the course right now. The course rally looks good for early spring.

Once again let me remind you to fix ball marks, rake traps and post your scores. Let us try and start the year out on a good note.

MGA President

Picacho Hills Country Club once again invites your children/grand children to participate in our JUNIOR SPORTS CAMP for ages 5-13. The Sports Camp is designed to introduce and develop the fundamentals, skills, and strategies of golf, tennis, and swimming. The quality of the instruction is by far the best of any camp in the area. We highly recommend our multi-sport program so that children receive instruction in a variety of "lifetime sports." Lunch will be provided every day to the campers.

Please contact Becky Van Valkenburg in the Office at 523-8641 for more information.
