

Welcome to Picacho Hills Country Club and our Annual Junior Tennis Tournament

We hope that you and your family will have a great experience in participating in our tournament.

Each tournament that you play in will be run a little differently - your job is to go with the flow and play each match to the best of your ability and sportsmanship.

Parents: I insist that you stay completely out of your child's match. Do not check in for them, do not call lines, remain in the background giving them support after a loss (if needed). Please keep your applause to a minimum during matches and be considerate of the other players.

This is a level 6 tournament - this is for those just starting out with limited tournament experience or ranking.

Let's keep it positive for all concerned.

-Roman Stoisljevic
Tournament Director
