

# The Lessons Club

Do you want to take your game to the next level this year? Build up endurance for those long three set matches? Learn how to be a wall up at the net? Here's how:

- **Hit the courts:** Tennis lessons club is a one month intensive development program.
- **Take it to the next level:** 6 one hour one-on-one lessons a month.
- **Convenient scheduling:** Schedule lessons between 8 am and 9 pm on weekdays. Chances are, there's a time open on my schedule that works for you.
- **Versatility:** You can join this program for hitting lessons or to develop your game with the help of a certified coach with years of experience. This is a great way to increase your on court endurance; or to make it an instructional lesson.
- **Great for Juniors:** This is a great supplement to your child's game as well. They can improve their game here and put it in practice in our summer camps and fall/winter after school clinics.
- **Fee:** \$210.

Non-refundable and non-transferable.
